

# Bridging the Gap CDC

Bridging The Gap CDC is a local 501 C3 non-profit in Orange County, NC, and was founded in 2014. We now serve all of North Carolina and do disaster relief on the East Coast. Since our conception, we have provided support to families in need by way of food banks, clothing giveaways, disaster relief, and educational sessions.

## WHAT'S IN THIS MONTH'S ISSUE:

- Who We Are
- Upcoming Events

Our largest project today is the We Care Pantry. We are open on the third Saturday of each month from 9:30 to 11:30 am, located in Green Level, NC. January 2024, we served over 75 families with well over 3500 pounds of food.

Please contact us to donate items or volunteer your time to assist with one of our programs. Also, if you or someone you know are in need, contact us at [bridgingthegapcdc@gmail.com](mailto:bridgingthegapcdc@gmail.com).

We look forward to working with you in reaching our mission: Connecting families with resources to help build a better tomorrow for our communities.

# Upcoming Events

## NEW FOODS & NEW WAYS OF COOKING
